Sr. Lucy Receives the Prestigious "Suryadatta Stree Shakti National Award-2021" at the hands of our Hon'ble Governor of Maharashtra Shri Bhagat Singh Koshyari.
A Word from the Sister

Maher presently has 58 homes in six states of India, and is full of activities. I am very grateful to the divine for keeping all of us safe and healthy.

Times of uncertainty invite us to open our minds to new possibilities. Months of pandemic and crises around the world have provided us new lenses through which to see a different life.

We have also been extensively working to reach out to the poorest of the poor with distribution of food grains kits, masks, sanitizers and nutrition. Our help has been extended to people with our ambulance service, a home for quarantine and a short stay home for the elderly and children for the families affected by Covid 19. We have shown compassion, empathy and offered a helping hand to those in need during this extraordinary time.

During this period of the pandemic, we have taken admissions of 221 women, 89 men, 116 children, 14 newborn babies, and the naming ceremony of 3 children as well as held 14 marriages.

Our homes in Ratnagiri as well in Jharkhand also helped in distribution of food grain kits, to the needy.

Kolkata was badly affected by the cyclone. The social workers of our home in Kolkata took the initiative to reach out and networked with other NGO’s to help nearly 5,086 families in the Sunderbans (mangrove area) and Digha in West Bengal.

It was our dream to have a bigger and better shelter home in Pune city so as to take in more impoverished underprivileged children under our wings and give them the love & care they deserve so they could secure a better life and brighter future for themselves. With immense joy and profound gratitude, we had the inauguration of the "New Swagat Home for Children" (Maher Silver Jubilee House for Children) at Wadgaonsheri, Pune on the 25th of May 2021.

I join my hands in deep gratitude to each one of you my dear friends. Without your commitment we could have done nothing. Your love, encouragement, support as well as monetary help made us reach where we are today.

We share our good wishes for your wellbeing and safety.

With love, gratitude and blessings
Sr. Lucy

Special Thanks

Fr. D’Sa :- From the inception of Maher Fr. D’Sa has been a guiding light. He made Maher known to all his German friends. In short, he was a strong pillar for Maher. Due to his age and poor health he was unable to attend the Trust meetings of Maher. Since attendance is mandatory, sadly he had to resign. Maher will always remain grateful for all his silent contributions in making Maher what is today. Without Fathers help we could not have started Maher.

Chaya Pamula :- When Chaya visited Maher she was deeply inspired. She has been supporting two of Maher homes (Sadabahar and Premsagar) from 2007 onwards thus enabling our smaller children to study in an English medium school and allowing many elder girls to do their professional trainings e.g. BCS, B.Sc Nursing, Fashion designing, BBA, MBA, LLB, MSW etc. Chaya is a very strong supporter indeed. In 2008 she became a Trust member of Maher. On 31st October 2020, it was very sad as she too had to resign from being a trustee. Since she lives in USA, she was unable to attend the trust meeting and sign the mandatory register. Whenever we approach Chaya for help, she is always very spontaneous. We remain very grateful for her support and loving service as a Maher Trustee. We know she will always remain a Maher family member and continue to be Maher’s very dear friend and supporter.
